

Norwescap Child & Family Resource Services presents:

Breastfeeding-Friendly Child Care

Create a welcoming, breastfeeding-friendly childcare space!

Join us for an engaging and informative training session designed to equip childcare providers with the knowledge and skills to support breastfeeding families.

In this session you will:

- Discover breastfeeding's benefits for infants and mothers.
- Learn safe breast milk storage and handling techniques.
- Explore ways to support breastfeeding families and responsive feeding.
- Create breastfeeding-friendly policies in childcare settings.
