

Norwescap Health Connections presents:

# Skin Cancer Awareness

## Virtual Event

**June 9th**

**TIME: 5:00 pm - 6:00 pm**

**LOCATION: Teams**

**COST: FREE**

## Join us!

Join our virtual event to learn about skin cancer types: basal cell carcinoma, squamous cell carcinoma, and melanoma.

**Dr. Farhan will cover self-examination steps and when to seek professional help:**

- Discover risk factors, prevention, and the latest treatments
- Ask questions and gain knowledge for early detection and effective management

Whether for personal education or supporting a loved one, your participation helps promote a healthier community.

Dr. Rabeea Farhan

# June 9th

**5 pm - 6 pm on Teams**
