

Norwescap Child and Family Resource Services presents:

# Program for Infant Toddler Care (PITC): Primary Care Webinar

## Join us!

You're invited to explore the heart of infant and toddler care in this self-paced, one-hour webinar based on the Program for Infant Toddler Care (PITC) essential policy: Primary Care.

In this session, you'll discover the purpose behind primary caregiving, how to thoughtfully set up caregiver assignments, and the many benefits it offers to children, families, and caregivers alike.

The week before the webinar opens, you'll receive easy-to-follow instructions and companion resources to help guide your learning experience.
