# Center For Entrepreneurship (C4E)

Your Hub for Business Growth in Sussex County!

## Get Started Today!

Scan the code to tell us you're interested! Someone from our team will reach out with more details.

## About Our Program

Located in the heart of Main Street of Sussex Borough!

C4E is designed to provide access to essential resources for entrepreneurs and local businesses including technology, professional development, networking opportunities, workshops, business counseling, and mentorship programs.

**The Center will also serve as a resource hub offering:**

- 3D printers and digital cutting machine
- High-performance multifunction printer
- Shared workspace with four dedicated computer workstations
- Reservable conference room
- Free use of licensed software and business tools

This innovative space represents a significant step forward in supporting economic growth, creativity, and community-driven success in Sussex and beyond!
