

Norwescap Traditions Family Success Center Presents:

Teen Speak at Family Success Center

Helping Parents & Caregivers Raise Resilient Teens

What is Teen Speak?

Teen Speak NJ is a workshop series designed to equip parents and caregivers with the tools and confidence to have open, effective conversations with teens about mental health, substance use, sexual health, and other challenging topics they face today.

Join us!

For a free, interactive workshop for parents and caregivers to build stronger, healthier connections with their teens.

What You'll Learn

- How to keep communication open and nonjudgmental
- Motivational interviewing strategies to guide teens toward safer decisions
- How to address risk behaviors with confidence
- Ways to create a safe, trusting environment at home
